## Welcome to the first ever Grenoside Christmas Tree Trail!

The programme lists all the trees, letting you know where they are and which category they fall into: family, business or local group.

You can plan your route to view the trees from any starting point, but over the launch weekend we are selling programmes and refreshments at Grenoside Scout and Guide HQ and the Reading Room, and programmes only at St. Mark's Church Hall, so you may want to make a pit stop along the way.

The programme has space against each listing to tick off trees seen or mark a particular favourite before coming to a decision - with over 160 trees to choose from that won't be easy.

The main aim of the Christmas Tree Trail is to brighten up what will be a strange Christmas period, but we're also hoping to raise money for two local charities - Grenoside Community Centre and Grenoside Scout and Guide HQ extension fund.

**Remember - wrap up warm, please abide by whatever social distancing rules are applicable at the time and enjoy the lights!**
